

beyond self ethical and pdf

This research investigated the link between ethical leadership and performance using data from the People's Republic of China. Consistent with social exchange, social learning, and social identity theories, we examined leader-member exchange (LMX), self-efficacy, and organizational identification as mediators of the ethical leadership to performance relationship.

History Background. The Ethical movement was an outgrowth of the general loss of faith among the intellectuals of the Victorian era. A precursor to the doctrines of the ethical movement can be found in the South Place Ethical Society, founded in 1793 as the South Place Chapel on Finsbury Square, on the edge of the City of London.
