This manual should be considered a permanent part of the motorcycle and should remain with the motorcycle when it is resold. This publication includes the latest production information available before printing. Honda Motor Co., Ltd. reserves the right to make changes at any time without notice and without incurring any obligation.

### **This manual should be considered a permanent part of the**

Look in the back of the owner's manual to see if it lists a source. In the USA for the 700 it listed Helm as the source. Since the 750 isn't in the USA, Helm may not have the service manual. I don't know if they normally distribute non-US manuals. The dealership should be able to get it for you.
