Winter Weather Preparedness. The best time to prepare for severe winter weather is now. In order to reduce the risk of weather-related health problems and injuries, take this time to prepare before a winter emergency hits.

Virginia Department of Health

Effective health communication is as important to health care as clinical skill. To improve individual health and build healthy communities, health care providers need to recognize and address the unique culture,

language and health literacy of diverse consumers and communities.

Spanish was the official language of the Philippines from the beginning of Spanish rule in the late 16th century, through the conclusion of the Spanish–American War in 1898. It remained, along with English, as co-official language until 1987. It was at first removed in 1973 by a constitutional change, but after a few months it was re-designated an official language by presidential decree and ...
