What To Pack One-Page Checklist. This Web site features an extensively annotated copy of the packing list that I use, refined over many years (and many miles) of travel, both business and pleasure; it's intended to provide a convenient starting point for you to create a customized list of your own.. For actual use while packing, of course, a more compact format is preferable.

There are 3 levels of planning in Agile. They are Release Planning, Iteration Planning and Daily Planning. These planning meetings help the Scrum Master, Product Owner and the rest of the team in understanding how the product will be delivered, the complexity involved and their day to day responsibility in the delivery of the product, among other things.

What is Release and Iteration Planning in Agile methodology?

Microservices written in Go was a key component of a new system that would enable The Economist to deliver scalable, high performing services and quickly iterate new products. Go's baked in ...
