Theory and practice in teacher education 16 the other hand it is claimed that the realization of teacher
education goals “ also in terms of integrating theory and practice “ is occasionally impeded by the
conformist and conservative influence that practical training can have on student teachers (Zeichner et al.,
1987).

The Theory and Practice of Spatial Econometrics

There is always a tension between Theory and Practice. These two separate realms are connected through a process of abstraction and application. To explain this relationship by way of theory, Theory deterritorializes Practice, and Practice reterritorializes Theory: a Theory which is a becoming-Practice and a Practice which is a becoming-Theory.

Theory and Practice - Steve Klabnik

education on the place of theory in educational research and practice in teacher education.
