7 The Mind War keeps thinking on that thing, it paints a vivid picture. If this process continues, an entire way of thinking is formed. One reason the enemy goes after the mind so strongly is that he understands it is the center of creativity. You have heard it said that a picture is worth a thousand words.

On the premise that war is endemic to the human disposition, MindWar proposes to eliminate its killing and destruction by replacing it with a far more powerful kind of war - one which focuses on the human mind both individually and collectively. The persons and property of people are removed as targets, replaced by the divisive situations and ...
