The writing process is the series of actions required to produce a coherent written text. It is a key term in the teaching of writing.

### **Writing process - Wikipedia**

The writing process is complicated, and often seems loosely defined. According to Webster's, writing is "the way you use written words to express your ideas or opinions." Although we may think of it as little more than arranging letters and words on a page, a few moments' reflection reveals ...

### **Rhetoric and Composition/The Stages of the Writing Process**

The process theory of composition (hereafter referred to as "process") is a field of composition studies that focuses on writing as a process rather than a product. Based on Janet Emig's breakdown of the writing process, the process is centered on the idea that students determine the content of the course by exploring the craft of writing using their own interests, language, techniques, voice ...
